

## **Compatible expansions**

## **Question:**

Which expansion modules are compatible with MyChron5?

## Answer:

- LCU-One CAN: tunes the engine carburetion.
  <u>www.aim-sportline.com/en/products/lcu-one/index.htm</u>
- MyChronExpansion: channel multiplier. It DOES NOT support thermocouple sensors. <u>www.aim-sportline.com/en/products/mychron-expansion/index.htm</u>
- SmartyCam HD: <u>www.aim-sportline.com/en/products/smartycam-hd-rev2.1/index.htm</u>
- IR Temp Controller: it controls each tyre temperature by using infrared rays. www.aim-sportline.com/en/products/sensors/tire-temperature-sensors-kit/index.htm
